Our performance of Shine (Saturday 24th January 2025) is fast approaching, and we are thrilled to be returning to The Brindley stage.

All costume information is attached to this email. Please carefully check the name of your child's class (highlighted in red at the top of each page), as we have multiple classes. It's important that you are viewing the correct details.

Costumes/accessories should be worn over their ACTC uniform. As this is a whole company production, the ACTC uniform will be worn throughout, with costume accessories added as needed. There will be no full costume changes backstage.

If you have any questions regarding costumes, please either speak to your child's class teacher or email me at office@actheatrecompany.co.uk

If you are new to ACTC and this is the first communication about our show you have received from us, please get in touch via the email above.

Kind regards,
Hattie
